CARRER SUMMARY:

Computer Science graduate with growing experience in software engineering. Familiar with web development using React and backend development with Node.js, MongoDB, and SQL. Eager to apply software engineering techniques to real-world problems. Quick learner with a strong interest in building scalable, data-driven applications.

WORK EXPERIENCE:

Junior Front End Developer at Zensoft Lab (Internship)

June 1, 2025 - November 30, 2025

- Collaborated with the front-end team to convert UI/UX designs into fully responsive and high-performance web interfaces using React.js across projects such as [AmaderShikkha](#), [ANT2025](#), [imc-solution](#) and [Zensoft Lab](#).
- Utilized modern React libraries and animations, including React Shimmer Effect and Framer Motion, to enhance user experience and interface interactivity.
- Worked closely with back-end and design teams to integrate APIs, dynamic content, and third-party modules, ensuring smooth data flow and functional consistency across the platform.
- Applied Git-based version control and development workflows to manage feature branches, track code changes, and support seamless deployment processes.
- Proactively identified UI/UX issues and implemented improvements in responsiveness, component reusability, and modular styling to optimize maintainability and performance.

EDUCATIONAL QUALIFICATION:

Name of Examination	:	Bachelor of Science (B.Sc.)
Institute	:	Green University of Bangladesh
Major	:	Computer Science and Engineering
Result	:	CGPA – 2.75 (Out of 4.00)
Passing Year	:	2025

Name of Examination	:	Higher Secondary Certificate (HSC)
Institute	:	Bhalum A.R khan college
Major	:	Science
Result	:	GPA – 3.50 (Out of 5.00)
Passing Year	:	2019

Name of Examination	:	Secondary School Certificate (SSC)
Institute	:	St. Joseph High School & College
Group	:	Science
Result	:	GPA – 4.71 (Out of 5.00)
Passing Year	:	2016

TECHNICAL SKILLS:

- Languages: JavaScript, SQL
- Frameworks: React.js, Next.js, Node.js, Express.js
- Databases: MongoDB, PostgreSQL, MySQL
- Tools: Git, Postman, VS Code,
- Web: HTML5, CSS3, Tailwind CSS, REST API, JWT
- Deployment: Vercel, Netlify, Cpanel.

SOFTWARE & TOOLS:

- MS Office: (Word, Excel, PowerPoint, Outlook, Teams, OneNote, OneDrive).
- Cisco Packet Tracer, R Studio, Matlab, Pycharm, Visual Studio Code.
- Google Meet, Google Slides, Google Forms, Google Spreadsheets, Docs.

PROJECTS:

Amader Shikkha – Multi-Tenant Education Management Platform

Technologies: React 19, Vite, Tailwind CSS, Firebase, DaisyUI, Material Tailwind

Key Highlights: Developed a centralized platform enabling multiple institutions to manage courses, student admissions, blogs, and galleries with individual branding. Implemented multi-tenant architecture, dynamic site routing, Google OAuth authentication, realtime caching, and performance optimization.

ANT – B2B Ecommerce & Shop Management System

Technologies: React 19, Vite, Tailwind CSS, Axios, JWT Authentication

Key Highlights: Built a role-based platform connecting manufacturers with retailers. Features include QR-based shop profiles, real-time balance management, inventory and transaction tracking, and interactive ordering system.

Link: <https://ant2025.com/>

IMC-SOLUTION – Industries We Serve

Technologies: React 19, Vite, Tailwind CSS, Axios,

Key Highlights: The “IMC-Solution” website states that they are a “global partner for sustainable business solutions” — meaning they want to provide “sustainable business solutions” for businesses worldwide.

Their services are “tech, supply, and services across borders” — they provide technology, supply, and services.

IMC Solution. Link: <https://imc-solution.com/>

Zensoft Lab – Online Education Marketplace

Technologies: React 19, Vite, Tailwind CSS, Jitsi SDK, Axios

Key Highlights: Zensoft Lab offers “Software Testing as a Service” (STaaS). They develop mobile apps.

Provides web and cloud solutions: Their “GenZsoft Cloud” project portfolio includes cloud infrastructure optimization and scalability. Designs and develops e-commerce platforms.

Zensoft Lab Link: <https://zensoftlab.com/>

AREA OF INTEREST:

Backend Development, Full-Stack Web Development, Robotics and IoT, Automation, API Design, Software Engineering

EXTRACURRICULAR ACTIVITIES:

- Playing Cricket, Football, Badminton and Video Games.
- Former member at Green University Computer Club(GUCC).
- Participated in ICPC selection round, Intra-department programming contests.

LANGUAGE SKILLS:

- A good command in Bangla and English both oral speaking and writing.
- Understanding Knowledge in Hindi, Urdu.
